

## **Masters in Psychology and Education Admissions Written Task**

**Please note: If you are applying for the full time and part time MPhil, please complete the task below. This route is not open to PGCE-MEd applicants.**

Choose an area of interest to you in psychology and discuss it in relation to education. In writing this short essay (1500-2000 words including references), please refer explicitly to relevant theoretical or empirical publications using a critical and reflective lens. Essays beyond the word limit will not be accepted.

Please upload this with your other application documents. Applications cannot be considered unless the written work has been received.
